

## ANNOUNCEMENT

Ref.: 09/POKJAEQC/RSPTN/2022

In connection with the bidding committee (*Pokja*) for the Selection of the Equipment Consultant (EQC) to support the Establishment of the University of Bengkulu's Hospital, we have evaluated all submitted proposals. The evaluation has been done through the several stages of the selection process in the minute meetings. We hereby report and announce of the selection process, as follows:

### A. Registration of Consultant Candidates

Registration was opened from 16 November 2021 to 17 December 2021 and we employed two methods: (1) apply to the website <https://pmursptn.unib.ac.id>, and (2) direct application in which applicants came to the *Pokja* office in-person at Universitas Bengkulu *Gedung Rektorat*, Meeting Room 1, *Jalan W.R. Supratman*, Kandang Limun, Bengkulu, 38371 Indonesia. The total number of registered candidates were 39 companies consisted of 12 companies from overseas and 27 businesses from domestic.

### B. Submission of Application for PQ EQC Documents

The due date for the submission of the Pre-Qualification (PQ) document was 21 December 2021 at 15:00 WIB (Western Indonesia Time, GMT+7). Only 11 companies submitted a set of the document in the sealed envelopes comprised 10 domestic companies and 1 foreign firm.

### C. Opening the PQ EQC Document

The submitted PQ EQC document was opened on 25 December 2021 by the *Pokja* team and the vice director of the Hospital's team as an external person and as required by the process. All 11 companies had sent the requested document, that were one set of the original document and three copies of it.

### D. Evaluation Result of PQ EQC Document

The evaluation of the PQ EQC document was carried out by the *Pokja* team in the period of 28 December 2021 to 06 January 2022. The result is:

**“All firm candidates DO NOT meet the eligibility criteria for the bidding”.**

Thank you.
